A SPOTLIGHT ON THE MONTH'S TOP MOMENTS

From Scars to Stars: Nisha's Journey to Reclaiming Her Life

At 23, Nisha Chauhan was at a crossroads in her life. From age nine she endured a traumatic experience, one that left her scarred but unable to confide in anyone. With no support, Nisha felt abandoned and lost.

Everything changed when Nisha met the staff from Oasis India during a community survey. They offered her a chance to train in hair and beauty. Seeing hope in this opportunity, Nisha joined the training program and found happiness for the first time in years. She worked hard, learned hair styling and beauty techniques, and practiced diligently at home.

As her skills improved, Nisha's skills began to pay off. She started receiving orders for beauty treatments and hair styling, marking the first steps toward financial independence and self-sufficiency.

Yet, the transformation in Nisha went beyond the physical realm. Through Life Skill workshops, group counseling sessions, and individual counseling, she began to rebuild her self-esteem and resilience. The support and encouragement she received from these programs helped her envision a brighter future.

After completing her training, Nisha got a job in a beauty products shop. She was so happy with her job and, for the first time, she began looking forward to a future that held promise and opportunity. Nisha's journey is one of overcoming challenges and discovering her strength and determination. She turned her life around and emerged as a confident and capable individual.

From Local Train to Football Fame: Shivani's Inspiring Journey

Shivani Vijay Kumar Gupta, one of our dedicated participants from the Oasis India Nalasopara sports project, has shown incredible progress and commitment. Thanks to the Oasis India Football For Life project, she received valuable training and knowledge about sports, which helped her join the Creek View Football Club. Shivani is extremely dedicated, always attends every session, is highly disciplined, and works tirelessly.

Despite her challenging family situation, where her father sells small items on Mumbai local trains and her mother works hard at home, Shivani has remained focused on both her sports and studies.

Impressed by her hard work, discipline, and punctuality, the Creek View Football Club entrusted her with coaching new girls. She took on this role with enthusiasm, training girls at the club. Her dedication paid off, and Shivani was selected for the Palghar District Football Club, a renowned club in the region. She and her team have already played in three prominent tournaments and proudly secured the 2nd Runner-Up award.

Today, Shivani continues to balance her studies with her coaching duties at the club. She also volunteers her time to coach our students at Oasis India Nalasopara project, inspiring others with her passion and determination.

Threads of Hope: Aleena's Journey from Darkness to Dreams

Aleena, 35, a mother of two lovely boys, had her life take a tragic turn when her mother abandoned her at just 5 years old. Seeking a better job and livelihood, she moved to Mumbai, filled with dreams and hope. However, her dreams were soon shattered when she was led into the dark world

of prostitution in Kamathipura under the false promise of a better job. At just 20 years old, surrounded by confusion and despair, Aleena lost all hope in life.

In 2016, Aleena's fate changed when Oasis India staff encountered her during their outreach programs. They introduced her to the wide range of programs Oasis India offered. She began attending life skills sessions, participated in events, and received counseling at the Oasis India Centre.

Aleena also joined a tailoring course and, within six months, successfully completed it and secured a job. Additionally, she started attending literacy classes at the Oasis India project and eventually learned how to read and write. These opportunities helped her rekindle her dreams for the future.

Oasis India went the extra mile by enrolling Aleena's son in their after-school program, offering a free, quality education. Today, her sons Samu and Rihan actively participate in Oasis' after-school program. Aleena's sole aim is to provide her boys with a quality education and a brighter future. Her dream is to become a tailor and open a shop in her village one day.

Aleena's story is just one of the many stories of hope and resilience that Oasis India has witnessed. You can be a part of their mission by supporting them. Remember - You can be the change someone has been waiting for.

Football For Life

NALASOPARA,
MUMBAI

Our little champs from Nalasopara have shown the world what determination and teamwork can achieve. Despite starting with humble beginnings, they reached the finals of the Under-15 Palghar District Football tournament, Palghar District Football Association, securing the runner-up position!

Their journey from the confines of their locality to the football fields is a testament to the transformative power of sports. Not only have they gained confidence and unity, but they've also embraced better physical health along the way.

These young girls are smashing through obstacles and chasing after what they love, and this is the kind of change we want to see happen through Oasis Football for Life program.

Your support is empowering young girls like them on their remarkable journey!

Uniting Our Community Through Sports

World Athletics Day was celebrated with excitement in the Kalayanapuram community. Children from the locality and our students from Football for Life, Sarika, and ASP participated in various sports competitions. The winners received medals from special guests Mr. Thuyavan, a founder and lawyer from Nambikai Siga Trust, and Mr. Kishore, a Scouts Master.

The event gave children a chance to show their talents and brought the community together. It was a fun and valuable experience during summer vacation, especially for those new to our sports programs. The day was filled with sportsmanship and friendship, leaving a lasting impact on everyone. Oasis India is happy to support and encourage young people to get involved in sports.

Summer Camp

We witnessed an incredible 3-day Summer Camp with 130 enthusiastic children! They had a blast participating in fun and creative activities, while learning valuable life lessons about positive self-esteem, hard work, unity, and the importance of education.
